**STM YARD LOOP LINE TO BE SUSPENDED FROM 30-11-2023 TO 05-11-2023 FOR TRAFFIC USE.**

The following to be ensured:

- Freight trains to be regulated
- It shall be specifically ensured that the work is completed within the permitted time and the duration does not exceed under any circumstances.
- It may be specifically ensured that Shadow Blocks are taken during the period of Block by other departments. Ensure block is not burst.
- Adequate supervisory officials from Engg, dept. to be deployed to monitor the block since the block burst will have severe repercussion to train services and timely completion of works.

Wide publicity to be given through press, media, station notice board and public address system regarding the cancellation/regulation.

**Note and notify all concerned including Loco Pilot and TMRs through Shed/Lobby Order Book.**
