D.O.No.TN.447/Punctuality

November 06, 2020.

Shri H.K. Dwivedi,

Sub: Restoration of Suburban services.

Ref: Meeting held at Nabanna with State authorities on 05-11-2020.

.....

As decided in the meeting held on 05-11-2020 at Nabanna between State and Railway authorities, Eastern Railway will be introducing the **suburban services from November 11, 2020**. A copy of the list showing details of the trains proposed to be introduced by Eastern Railway for the suburban section under Howrah and Sealdah Divisions is enclosed herewith.

As can be seen from the list, we are introducing 202 trains on Howrah Division and 413 trains on Sealdah Division which comes around forty five percent of the normal services. Number of trains have been introduced to this level to ensure that crowding in the trains is minimal and maintaining physical distancing to the extent possible.

Adequate road and other means of transport services for **dispersal of the passenger for major stations including Howrah and Sealdah may be looked into as discussed in the meeting** and the plan to tackle peak periods shared with the Railways.

with best wishes,

Encl: As above.

Yours sincerely,

(Aneet Dulat) 6/11/2020.

Shri H.K. Dwivedi, IAS
Addl. Chief Secretary,
Home & Hill Affairs and Parliamentary Affairs Department,
Govt. of West Bengal,
Nabanna,
Howrah- 711 102.
