Telangana CM KC Rao has issued a stern warning to people who have been violating lockdown regulations. "If people will not listen to the police I will ask for army deployment and shoot-at-sight orders will be issued," the Telangana CM has said.

Telangana, along with the rest of India, has been put under a 21-day lockdown, which will have curfew-like provisions. However, there will be exceptions for essential commodities like groceries, medicines and cooking gas.

Telangana CM urged people of the state to follow police instructions and cooperate with the cops.

"I am instructing all MLAs ministers corporators to remain available, it's the time for their action," he said.

"We are taking away the passports of patients who have tested positive for novel coronavirus. Those violating home quarantine protocol will also face passport seizure," the CM said.

The Telangana CM said that a strict curfew will be observed between 7 PM and 6 AM. All the shops must be closed by 6 PM. "We will deal strictly with violators," CM KCR said.

Telangana has registered 36 positive cases and has 140 suspected cases of Covid-19. The state has screened 19330 foreign returnees so far.
