Grievance Description	
<p>Sir/madam</p> <ol style="list-style-type: none"> 1. Why Alwar JN is not developed as Terminal station despite so much rush and gathering from many years . What are constraints which are preventing from developing Alwar JN as terminal station 2. If there are some constraints in developing Alwar JN as terminal station which are impossible to tackle and adding many other facilities such as washing line, pitline at Alwar. Why new station is not developed near Alwar jn approx 5-10 km 3. In recently published book of 100 days achievement of Modi-government , Railways has accepted again that escalators will be installed at Alwar JN but it has been a long wait for more than 2-3 years and which is not ending. what are the updated guidelines if there are any 4. When there is so much rush, gathering and crowd at alwar JN, Why NWR and NR are reluctant to introduce new trains on Alwar-Delhi, Alwar-Jaipur and Alwar-Mathura route . what are hindrances in starting local trains between these stations 5. Trains started halting at 3rd platform of Alwar JN from 31st January 2019 but there is no coach indicator and display board TILL now. Why
