## Commercial justification for new DEMU train services

### (1) DEMU train services between JP-RE via RGS,NMK & NNL

- Two new DEMU train services should be introduced between JP-RE via RGS,NMK & NNL at morning and evening time on the pattern of MG time. At the time of MG these trains were very popular to facilitate the passenger of RPC section.

Tentative timings as under :-

S.No.	From	Dep.	To	Arr.	Remarks
1	JP	8.00	RE	13.00	via RGS ,NMK,NNL
	RE	17.30	JP	22.30	
2	JP	18.15	RE	23.15	via RGS ,NMK,NNL
	RE	6.00	JP	11.00	

### (2) DEMU train services between JP-SWM

- One new passenger train services should be introduced between SWM - JP at morning time. At present, not a single local train is being operated from Sawai Madhopur to Jaipur in the morning hours. Keeping in view the huge demand by MP, MLAs & daily passengers, if DEMU train is operated from Sawai Madhopur around 5:30 am, then the passengers traveling towards Jaipur will travel by rail. In return this train is available from Jaipur to Sawai Madhopur at 19:00 hrs, then daily passengers will also get benefit and railway revenue will also increase.

Tentative timings as under :-

S.No.	From	Dep.	To	Arr.
1	JP	19.00	SWM	23.00
	SWM	5.30	JP	09.30

### (3) DEMU train services between JP-SIKR

- A new pair of DEMU train (Daily) should be introduced between SIKR-JP via PLSN,RGS,GND,COM on the pattern of MG Time. This train will not only to facilitate the shekhawati area passengers but also daily commuters of this area and there is heavy demand by MP, MLAs & Passenger for running of this trains and it is commercially justified.

Tentative timings are as under :-

S.No.	From	Dep.	To	Arr.
1	SIKR	06.45	JP	09.00
	JP	18.15	SIKR	20.30
