CONSTRAINTS

- Only important commuter trains will be possible to handle at NDLS/DLI. (Other passenger trains will be cancelled or the terminal may be shifted.
 - At NDLS : Earlier : 75 passenger trains
 - Now : 21 will be handled for commuters
 - Delhi division will not be able to handle any extra trains (Existing & New) i.e. Clone, PCET & FTRs.
 - Only very limited special trains will be handled over DLI division during Diwali, Chhath, Summer & Holi.

	Holi		Summer		Diwali & Chhath

- Restriction of movement of RAs at NDLS.
- Restriction on shunting of VPs at NDLS.

ASSISTANCE REQUIRED

From Railway Board & Adjacent zones :

- Commissioning of coaching terminal at SSB with DLI end connectivity by removing Jhuggies.
- Commissioning of grade separator at Rampura Cabin (DBSI) on DAL by removal of Jhuggies.
- Removal of Jhuggies near Patel Nagar, ANDI, DBSI, SSB yard.
- Shifting of primary maintenance of 4 pair of trains at other ends.
- Timing change of 15127 and 12391
- Change of terminal as indicated in slide no. 7, 8, 16, 17 & 18.
- Diversion of trains as indicated in slide nos. 3, 4, 5, 13 & 14.
- Cancellation of trains as indicated in slide nos. 2 & 12.
- Short termination/origination of trains as indicated in slide no. 6 & 15.
- During closure of PF no. 01 to 09, train no. 12391/12392 RGD-NDLS will be short terminated and short originated ex GZB. Timings of 12391 is proposed to be changed to 11:45 hrs (arrival at GZB instead of 03:52 hrs). Consequently, timings at origin and en-route will be revised. Watering will be done at MB in both directions as facility is not available at GZB for watering.

ASSISTANCE REQUIRED

- Rajdhani, Duranto and other trains which undergo Secondary Maintenance at Delhi Area terminals will be exempted, instead will be provided RPC for trains which are running within a distance criteria of 3500 Kms for ICF rakes and 4000 Kms for LHB rakes. This will be valid for a duration of 13 months or till completion of works related to passenger facilities, parcel and train movement.
- Train no. 12015/12016 is running with 19 coaches and 12029/12030 is running with 21 coaches both of these trains will be handled on PF no. 10 and 12 during NDLS renovation work. Due to PF capacity constraint of maximum 18 LHB coaches for PF no. 10 & 11, load of these two pair of trains will be reduced to maximum 18 LHB coaches.
- Rohtak & Gohana block section needs to be split. New block station work to be sanctioned on priority.
- Rohtak –Panipat section to be made fit for CC+8 rake movement.
- Schedule timings of some of the trains will be revised and stoppage upto a maximum of 10 minutes will be given.
- For terminal maintenance, requisite work of terminal maintenance facilities will have to be sanctioned.
- Loco links needs to be revised.
- Due to shifting of trains from NDLS/DLI/DEE to BWSN, SSB & SZM. The road traffic management will have to be stepped up. For this, extensive discussion with delhi police traffic department will be required.

FREIGHT REPURCUSSION

- A total of **60 freight train paths** will be utilized by coaching trains due to the running of coaching trains via chord.
- **2 non-PF lines** will have to be given by RLDA for movement of freight trains via NDLS..
- Almost all Freight trains will be passed via DAL.
- Passenger trains running on DAL will be cancelled.
- The **link between the Eastern and Western DFC corridors** must be operational so that power houses and other loads can pass without touching the DLI area.
- ICDD-CMLK, PMKM-KIIP loads will not be passed through DLI area.
- After **commissioning of Dadri-New Prithla part** of DFC, steel rakes pertaining to BVH, HTPP, TIST, HSYG, FDSG and combination of these terminals with DDL, GVG etc. will be taken from PRLN side to AST direction.

Thank you
